

“A Tribute to the Stars”

Introducing a fantastic female cabaret solo artist.....'Taylor-Ann'

Taylor-Ann is a well established female singer with a fantastic reputation for performing female multi-tribute and variety shows. Taylor has been performing since 1999 in various venues across Europe and is always highly appraised for a fantastic evening of entertainment that has everybody screaming for more.

Taylor-Ann has been singing and dancing since the age of 3 and to develop her love of the arts, attended Italia Conti Academy in London. Upon leaving stage school, she went on to travel the world singing and dancing in various productions. In 1999, after having enough of working for other people, she decided to put together her own cabaret duo 'NV Cabaret'. As the founder of NV Cabaret, Taylor realised that not all venues require a duo, and so adapted her already successful duo into a solo multi-tribute act. Her own solo show has been well received and is available for bookings at a wide variety of venues.

Taylor's tribute shows have proved popular within the corporate world as well as with social clubs, and are also a fantastic show to have at your private party or part of your wedding entertainment. All of Taylor's shows are fully self-contained (sound and lighting) and an engineer accompanies her to all venues.

“A Tribute to the Stars” A fast moving tribute show to some of the most popular artists from the past 5 decades including Kylie, Madonna, Tina Turner, Bette Midler, Pixie Lott, Amy Winehouse, Duffy & many, many more.
